Remember in Prayer

- **Dorothy Loyd** fell again recently and has been moved to Life Care Center in Cape (Room 319). She will be there for at least a couple of weeks while arrangements are made for a more long-term solution. Please encourage her with cards and calls. Her address and phone numbers are posted.
- **Donna Cox** is staying with her daughter, Tanya Heuring, as she continues to recover from surgery. Her address is also posted on the family board.
- **Ray Duffey** has been dealing with very rapid heart rates and will have a procedure on Wednesday at St. Francis to slow his heart rate.
- Please remember our students, teachers, staff, and administrators as they return to schools and colleges in the next few weeks. Most are beginning face-to-face classes, but there are so many unknowns as the pandemic continues to cause issues with scheduling and in-person gatherings.

Sympathy

We offer our love and sympathy to Kathy Green and her family in the recent death of her sister, **Nellie Shell**. Services were held this week. Please pray for the family during this time of loss.

Rejoice!

We rejoice with **Kayley Kluesner** and her family as Kayley made the decision to be baptized into Christ on Thursday evening! Take time to encourage Kayley as she begins her walk with the Lord.

Many Thanks

"Thank you so much for all your prayers, cards, texts, and genuine concern throughout each stage of Dale's treatment since being diagnosed with cancer in the fall. He has completed his treatments and is cancer free! We are so very grateful and want you to know how much your kindness has meant to us. We humbly ask for continued prayers for Dale and our family as he recovers, gains strength, and moves forward."

*Thank you so much for showing us the true Love of Christ, loving us so deeply and unconditionally. We are thankful for you and love you,
Dale, Lesa, and family"*

Thank You

We all owe a big THANK YOU to George and Barb Clark for the work they did to finish our recent bathroom remodels. George replaced some tile and did some cosmetic work under the sinks and in the stalls. We appreciate their diligence in keeping our building in great shape!
